                      ) U.S. District No. A05-080 CV (RRB)

Uwe Kalenka moves for an enlargement of time for Karen Bretz and himself to file oppositions or other appropriate responses to all pending motions in this case, and the providing of initial disclosures from the plaintiffs relating to qualified immunity, to February 9, 2006.

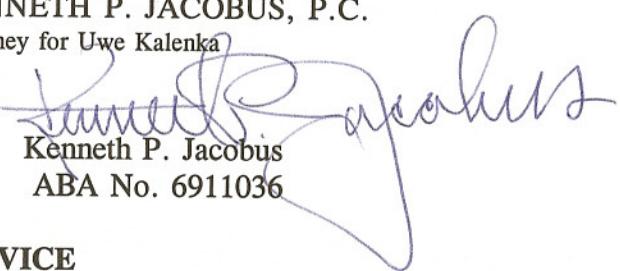

An enlargement of time for both parties is appropriate because of the complexity of the motions and the fact that a mediation before a retired superior court judge took place on December 9, 2005, for the purpose of trying to work out a complete settlement of this litigation. The parties are still engaged in settlement negotiations as a result of this mediation, and believe that the matter will probably settle.

I have discussed this matter telephonically with Jim Wright, Linda Johnson for Matt

Peterson, Mike White and Nelson Page, all of whom indicated that they had no opposition to this motion.

DATED this 23rd day of January, 2006.
